## Hiring HCO as your Celebrant

### *Thank you for considering Humanist Celebrant Orlando*

Here's the easy 1-2-3 process to hire HCO as your Celebrant.

*A consistent on-boarding process protects both of us from fraud and creates a solid foundation for our relationship. I'm happy to answer any questions you have.*

This can be completed over the course of weeks if you're planning ahead, or we can do this very quickly, even for same-day requests. *Note that this process runs a bit differently for funerals.*

- 1. CONNECT.** We'll do a call or zoom to get acquainted & make sure we're the right fit for each other. We'll do a family meeting to learn about your ceremony and how i may help. We'll make a plan that fits your ceremony – however simple or elaborate – and i'll answer any questions you have.
  - > You'll fill out the **Booking Form** (before or after our call, or we can fill it out together on the call).
- 2. AGREEMENT & Deposit.** I'll send you a service agreement. Once you sign the agreement & make a deposit, the date is locked in for you.
  - > The deposit can be waived in certain situations such as same-day ceremonies and end-of-life services.
  - > Prices can be locked in up to one year prior to the ceremony with a deposit and signed agreement
- 3. RESOURCES & FOLLOW-UP.** I'll send you sample scripts that we can personalize and other resources.
  - > I'll be available for questions, revisions, and other assistance.

**Remembrance Services:** I am not currently offering Remembrance Services as a Celebrant; however, if requested and available, I can provide inclusion advocacy, assisting with conversations with your funeral director, celebrant, or other funeral professional to regarding your LGBTQIA+ and/or Religious, Secular, or Spiritual Identity (RSSI). I can assist with the process of coming out to funeral professionals and ensuring diverse identities can be authentically honored.

## Questions to ask your officiant:

- Are you available on the date of the ceremony?
- What will the ceremony fee be?
- Are there charges in addition to the ceremony fee?
- What services are included with your ceremony package?
- Can the ceremony be customized to our traditions, beliefs, values?
- What is the process for personalizing a ceremony?
- Can we provide content (vows, readings, rituals) that we want to include, or do you only work with a menu of services?
- Can the ceremony script be customized?
- Can you help us with customized rituals?
- What is your experience with this type of ceremony?
- Will you meet with our event coordinator or other ceremony professionals and vendors to ensure things flow smoothly?
- Are you able to include readings and other content from our religious, secular, or spiritual tradition?
- What happens if you're sick or injured on the day of the ceremony?
- How do you handle last-minute changes to the ceremony (such as the ceremony starting late)?
- What is your refund policy? (you suddenly decide to elope instead, or you decide to change the wedding date and the celebrant isn't available, etc.)

...And anything else you would like to know before committing to an officiant or celebrant. As with any professional you hire, you want to ensure that this is the right fit for you. This is an important moment in your life and will be an important memory for the rest of your life. Interview them, as you would any vendor.

*I also recommend looking through their website and social media to get a feel for their style, philosophy, and experience.*

**DIVERSE IDENTITY NOTE:** Not all officiants or celebrants are knowledgeable about or affirming of LGBTQIA+, religious minority and secular, and other diverse identities. Openly ask your officiant about your identity to ensure they are able to serve you and your family, and all of the guests at your ceremony, with respect.
